

Colonet VIM – L4L

Team commitment meeting on Sunday, Feb. 10, 2019
@ 4:30 PM in Café Hope at LGUMC

Please be sure to attend this **mandatory** Colonet mission travel team commitment meeting.

We're now preparing our 2019 Colonet VIM – L4L mission travel team. If you and yours are planning to travel to Colonet, Mexico with this spring's family mission team, then it's necessary for you to mark your calendars for and to attend the following team meeting date:

VIM 2019 Travel Team Commitment Meeting
Sunday, February 10, 2019
Café Hope at LGUMC
4:30 PM – 6:30 PM

This week-long international mission trip is for youths and their parents / other related adults. It involves construction, *Lighting for Literacy* solar installations and maintenance, and international good will. It is physically and emotionally strenuous, and it is incredibly rewarding for those who can participate. We welcome Spanish speakers to our team, but no Spanish language ability is necessary. Just bring your good attitudes and open hearts!

Passports are required for all members of our April 2019 mission travel team.

If you don't yet have your passport(s) and / or if your passport(s) is / are expiring before August 2019, then please take steps right away to get your passport(s) in order. *Passport processing may be slowed because of the U.S. federal government shutdown, so please don't delay.*

All team members must come to the meeting prepared to notarize forms (with the help of LGUMC's Mike Hobson), pay their team funds, and show their passports. We'll plan several fundraisers. Also, the youths on our team will design this year's team t-shirt.

Please prayerfully consider your own / your family's participation in this April's Colonet mission trip. Our 2019 team's travel dates follow:

Colonet L4L VIM trip travel schedule:

Departing Los Gatos on Sat. April 6, 2019 (driving)
Arrive in Colonet, Mexico Sun. April 7, 2019
Mission work in Colonet April 7 – April 11, 2019
Depart Colonet, Mexico northbound to USA Friday, April 12
Arrive home on Saturday April 13

Feel free to contact Pete Taylor for answers to any questions.
